This reference scale bar has been added to the original image. It will scale at the same rate as the image, therefore it can be used as a reference for the original size.
YUKON GEOLOGICAL SURVEY
NOTE:
40/2/9/8 indicates Cu/Mo/Sn/W.
NOTE:
Reconnaissance map compiled from uncontrolled airphoto mosaic. All distances and directions should be considered accordingly. Scale determinations yielded values between 1"=1760' and 1"=2320'.
