YUKON GEOLOGICAL SURVEY

This reference scale bar has been added to the original image. It will scale at the same rate as the image, therefore it can be used as a reference for the original size.

Airborne Magnetic Survey, April 1966 to June 1968, by Aero Photo Inc., Québec, four-mile map compiled from one inch to one mile geophysical maps published by the Department of Energy, Mines and Resources.

No correction has been made for regional variation.
