THURS Aug. 1								N. Newsom K. Kirkland	1-4	12,000'	J. Harper	1, 2	6,000' 61 samples											
FRI Aug. 2								N. Newsom K. Kirkland	5-7	6,800'	J. Harper	3, 4	48 samples											
SAT Aug. 3		N. Newsom	Line 7, Base Line	4,700'				N. Newsom J. Harper K. Kirkland	Base Line, lines 1+2 were extended 1000' each	4,100'	J. Harper	7, Base Line	47 samples		K. Kirkland	Detailed Mapping								
SUN Aug. 4											J. Harper	Lines 5, 6	52 samples		K. Kirkland	Detailed Mapping								
TOTALS		1 man-day		4,700'				5 man-days		22,900'	4 man-days		208 soil samples		2 man-days									

NOTES:

Sat (Aug. 3) Newsom, Harper, Kirkland spent approx. 2 hrs linecutting, remainder of day on other surveys so Aug. 3 linecutting considered as only 1 man-day

Sunday N. Newsom went to Whitehorse to pick up batteries for the magnetometer.

The mag survey for August 3 was re-done on Aug. 4 and 5 to insure that weak batteries had not affected readings.
