MEMORANDUM

TO: M. O. Hampton
FROM: P. M. Pettigrew
DATE: February 22, 1972
SUBJECT: REVISED LONGITUDINAL CROSS-SECTION LINES AND
ORIENTATION OF BENCH-PLAN DRAWINGS

For record purposes, a drawing is attached showing the recently revised longitudinal cross-section grid and the orientation of bench plan drawings. Drawing FA-7201 is a revision of drawing WA-46, which previously attempted to cover zones #2 and #3 and is now obsolete.
