

MEMORANDUM

TO: M. O. Hampton
 FROM: J. R. McLachlan
 DATE: January 12, 1972
 SUBJECT: STOCKPILE RESERVES - 1971 YEAR END

In response to a query received today from Mr. H. Cox of James, Buffam & Cooper, consultants retained by the Toronto-Dominion Bank, the following has been officially reported as our stockpile inventory at year end - December 31, 1971.

<u>High Grade</u>		<u>Low Grade</u>	
10,000	10.5%	500,000	6.3%
<u>57,600</u>	<u>13.0%</u>	<u>183,300</u>	<u>8.0%</u>
<u>67,600</u>	<u>12.6%</u>	<u>683,300</u>	<u>6.75</u>

These figures are in agreement with ore control and tie in with "Stockpile Status" compiled by P. Forrest on the "Haulage - December, 1971" report.
