March 28th 1966.

Mr. E.N. Pennebaker,  
Consulting Geologist,  
P.O. Box 817,  
S C O T T S D A L E,  
Arizona, 85252.

Dear Penney:

Bob Adamson asked me to forward this report on the "Bea"  
with this notation.

That this is all the work that has been done on the ground.  
The reason it was staked was a report of some float in the  
area.

At last we have Scottsdale weather here!

Mostyn G. Grant  
OFFICE ENGINEER.
