Subject 2nd Quarter Review

In view of the magnitude of the capital expenditures during the next 12 months would you please prepare forecasts for the following:

- a) Capital expenditures through to June 1977.
Same timing as the 2nd quarter review figures.

- b) Production statistics - Waste and ore and metallurgical balance for production January 1, 1977 to June 30, 1977 by month.
If possible I would like to receive this by June 23.
