

MESSAGE

DATE June 7 1977

TO DB, DG, DH

FROM Cyprus Anvil Mining Corporation

P.O. BOX 1000, FARO, Y.T.

SUBJECT 2<sup>nd</sup> Quarter Review

M. Stallings is required to submit met. balances for the coming year by June 14. To give them time to run out their calculations, production statistics for ore (Tung 2 grade) must be completed and turned over to B. Ferguson by Friday morning (June 11). Mill rate to be 10,000 TPD.

This applies to the rest of 1976 only. Production statistics for 1977 are not due (met balances) until June 23.
