Message:

DEAR JOHN!

Thank you for your last message re: packer testing, I hope that you will be able to find out the status this week. However, it is probably time to establish a reasonable deadline. Therefore, to avoid further equipment charges (more than the current 3 months), I am going to ship the equipment back on TUES, JAN. 22, 1991. IF you do not agree with this please let me know, otherwise I will assume that I have your agreement.

IF you have any questions please call.

Thanks, *[Signature]*
