JS

We are transmitting from the following:
Xerox FAX 7020 - 24 hours (403) 994-2664

If you do not receive all pages please call back as soon as possible.

MESSAGE:

FOLLOWING WILL BE THE
CO-ORD FOR THE NEXT "DEEP HOLES"
TO BE DRILLED @ Dy. The "shallow holes"
at the collar (pencil) may actually be
drilled first, but the deeper ones
will follow very slowly afterwards.

PS: The printer I have does not
work! If an extra one is around
the White office - I could use it! The
STAR printer should be put back
into orbit!
