MEMORANDUM

TO: Lee Pigage  
FROM: Gregg Jilson  
RE: Restaking of RV Claims

---

I enclose a map of the 10 R.V. claims that may have to be restaked. As I mentioned last night, Brian Champion will be filing a formal notice of abandonment and it may turn out that we will not restake this ground until that notice has been filed. I have given Brian your phone number at Faro and he will be contacting you to coordinate restaking the ground.
