Dear Mr. Anderson:

With reference to your letter of June 19th, 1965, written to Prospectors Airways Company, which Company was incorporated into Kerr Addison Mines Limited in 1963, I wish to let you know that because of the amount of work we now have in hand we are not able to take any interest in your property in the Wheaton district, Yukon.

I would suggest that you write to the Yukon Chamber of Mines, Whitehorse, Yukon advising them of the location of your property and of your desire to sell it, and that you ask them to bring your property to the attention of persons or companies who may be interested in buying it.

I am returning to you the letter which you received from Prospectors Airways in 1958, and which you had enclosed in your recent letter.

Yours sincerely,

Paul M. Kavanagh  
Chief Geologist - Exploration.

Prospectors Bureau Co. Limited  
Dear Sirs and Company

I am writing you pertaining  
to some property I own out at  
or on the north side of Mt. Stevens  
a three claim crown-granted  
group on the north side of Mt.  
Stevens in the Wheaton District  
Whitehouse M.D.

I will just return the letter you  
wrote us back in 1958 then  
you will know at a glance what  
this is about. My has passed, and  
I am the only owner and would  
like to sell them. My wife took care  
of all corresponding I really do not  
know if she had some information  
that she may have mailed to you.  
Just now I am trying to contact  
you folks and am anxious to find  
out whether you people would be  
interested. Sincerely,  
Ardeen Anderson

over

I would like if you could tell  
me whether there is any activity up  
there and about what a person  
might expect or could. According to  
the Appleton Star Times I am  
pretty good up there this summer,  
I am at a loss also as to just  
how you folks or any one handy,  
I would like to sell out right.

Georg Stevens my father in  
law spent 27 years up there  
this includes one year spent at  
the Whitehouse hospital he had had  
a stroke, My wife had him moved  
down to Slapbough Wick to stay  
with us, he was only one and a half  
years when he passed on in 1927.  
Maybe you could let me know  
just what kind of a system the boys  
use when buying and selling.

Sincerely,  
J
