Re: Rust Claims, Pelly River

Dear Sirs:

Please be advised that this company has no further interest in the above mentioned claims numbered 69138 to 69177 staked by you under our Prospectors Agreement dated April 21st, 1954. Unless further action is taken on your own behalf the claims will be lapsed as of July 2nd, 1955.

A magnetometer and geochemical survey was conducted over the rust zone on which the claims were staked and a geological reconnaissance was made in the area with unfavorable results.

Yours very truly,

E. O. Chisholm
