Yukon Claims

John Scheider

Prochem

Prochem

Letter to claim on Yukon

Prochem Spends \$70-80000
in 1986

Ken's Program

Ken should spend on exploration
say \$300,000 over 3 years
to cover site visits

Prochem can spend 20-30000
per year to suit tax
situation at the time

This means - \approx closely coordinated
planning and go management

Ken will operate and do trial
timing with timing of work
on Yukon Claims

Program possible

Financing, support, non
government? demand drilling

In future conversation with
John Scheider NOV 8,
