Here is a list of the rest of the Vanguard Metallurgical samples to be taken. Send me a quick-memo when you have taken them & I will forward the list to the appropriate people, otherwise if everybody deals with these samples, no one has a complete list.

EE - 94
Y - 93
AA - 88

Q - 98
P - 93
Y - 95
Q - 04
L - 03

* Use the XRF gun when taking these samples so that we don't send waste rock to be tested.
