To..... D. R. Hooton..... From Paul M. Kavanagh

Subject..... Peter Thompson, Quiet Lake Area, Yukon. (105-c)..... Date September 28th, 1962

Re this situation which you briefly mentioned in a recent memorandum, I just wish to say that our Yukon staff was aware of Thompson's staking activity which was prompted by our own. What known mineralization his claims contain is of no importance.

In the meantime, work which we have done on our own ground has prompted us to take no further interest in it.

PMK.

Paul M. Kavanagh
Chief Geologist - Exploration

THROUGH A CONTACT IN THIS AREA I HAVE BEEN ADVISED THAT MR. PETER THOMPSON, STAKED 8 MINERAL CLAIMS LAST MONTH ADJOINING OUR GROUND TO THE NORTH. THIS WAS DONE PRIOR TO OUR STAKING ADDITIONAL GROUND TO THE SOUTH.

PERHAPS THIS SHOULD BE INVESTIGATED AS HIS CLAIMS COVER A SHOWING. MR. THOMPSON HAS LIVED IN THIS AREA FOR SOME TIME AND SEEMINGLY HAS A GOOD WORKING KNOWLEDGE. HE COULD BE CONTACTED AT WHITEHORSE OR AT HIS CAMP ON QUIET LAKE.

being
Hooton advised of our full knowledge
of this.
