

Other map

Late Tertiary or Quaternary	
QTvb	Fresh brown basalt & basalt breccia.
Cretaceous	
Kgm	Porphyritic, grey biotite quartz monzonite & granodiorite.
Mesozoic	
Mdim	Dark grey hornblende diorite (sills).
Carboniferous & Permian	
CPAv	Dark grey-green aphanitic basalt, minor augite porphyry.
CPAt	Apple green, jasper red chert, cherty tuff.
CPAub	Dun brown dunite, peridotite & pyroxenite.
CPAv	Yellow green serpentinized peridotite & pyroxenite.
CPAc	Orange quartz carbonate rock, minor green chromian muscovite.
Klondike Schists - Age unknown.	
EPK3	Green muscovite & amphibole chlorite phyllite, minor marble.
Windermere & Cambrian	
PEsc	Biotite garnet muscovite schist & grey marble, minor augen gneiss.
En	Grey biotite muscovite qtz feldspar augen gneiss.
Upper Devonian & Mississippian	
UDMfg	Grey chert pebble conglomerate with black slate.
Silurian & lower Devonian	
OSDge	Grey to black calcareous & dolomitic graphitic siltstone.
Ssdg	Light grey, algal laminated dolomite, sandy or silty, orthoquartzite.
