re: KULAN PROSPECTING  
McCONNELL RIVER AREA

Bill Oughtred, Exploration Manager of Asbestos Corporation, has discussed the attached prospecting scheme with his field man Robinson, who recently returned from Whitehorse. Robinson advised me by phone that Asbestos Corp. is agreeable to financing the prospecting with us on a 50% basis.

I am to phone him our decision on Thursday at Thetford - Federal 5-9171 - if we wish to participate.
