Mr. E. Mueller,
Cyprus Resources,
101-315 Howe Street,
Vancouver, B. C.

Dear Mr. Mueller,

In line with our previous discussions I would like to confirm Cyprus' continued interest in your zinc property on the Bonnet Plume River area of the Yukon. We would be interested to hear what type of deal you might consider for major participation in the development of the property and any further information on surface and drill sample results would also be welcome.

Yours very truly,
CYPRUS EXPLORATION CORPORATION, LTD.

This is your invoice
I'm sure.

Please inform General
Enterprises when making
payment of the difference
between Cypress & Cyprus.

Thanks.
