Mr. Uno Leis,
Strato Geological
39 - 448 Seymour St.
Vancouver 2, B.C.

Dear Mr. Leis,

We have completed sampling on your two claim groups and do not find them of sufficient interest to warrant more work. Maps showing sample sites and geochemical values are enclosed for your information.

Thank you for bringing these properties to Cyprus-Aurifer, and I hope you will contact us if you have other properties available for option in the future.

Yours truly

Peter Dean

UNO CLAIMS
