

Geochem
115-G-16

April 24th, 1970.

Mr. J. R. Woodcock,
Consulting Geologist,
1521 Pemberton Avenue,
North Vancouver, B.C.

Dear Dick:

Thank you for the geochemical information.
The snow was too heavy for an examination. We will
hope to get a look at it within a month, at which
time we will let you know what is happening.

Yours truly,

ATLAS EXPLORATIONS LIMITED,

J. S. Brock,
Vice-President Exploration

JSB/mp
Encl.
