Dear Arrow,

Hope you are well & happy also the rest of you. — In answer to yours of Oct. 22nd 1968 — Yes I will give you the first chance to look at the property on the Haines Road, wish you would do the checking, I don't care to have Chaplin as I tried to talk to him in Whitehorse to explain things, he said he did not want to have anything to do with me, it was raining, snowing & foggy, could not see a thing, I wouldn't go up the mountain side to make a landing for a million dollars, so I came back to 12.5 M.P. & got drunk, next day was the same. — There are a lot of other companies that want to go in to see the property, I hit some better one since Kirkland & party was in there, did more cross cutting!

I think you could give me a good deal I'm too old to have a long winded one. — Write me, if still interested, so I can hang on. Sincerely, John

friend,

Johnnie Johns
