Dear Jake

I hope you have received the maps I sent with Tex-Pik, I hope that these have been satisfactory and that you were able to make copies. If not don't hesitate to let me know.

I have staked & recorded eleven more claims making eighteen in all. They are the ^{five} KIRK 2 & the JA. 1-6. DA. 1-4. The old claims are KIRK 1-~~3~~ 5, 7, 8 & FARR 1-2.

Again I wish to say your and Dave's summary deserves appreciation. I will cut this short for now. Hoping to hear from you soon.

Yours sincerely

Wike Early
