B81034

⇒ TRIB ANDERSON - MAXIE CR.

⇒ ABOVE SITOWING

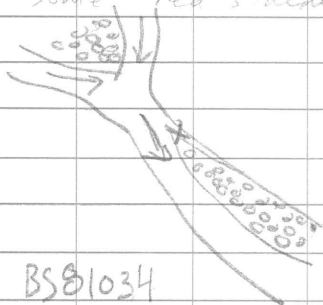

⇒ large creek, FAST, 6 m across
clear dendritic.

⇒ due to size and torque
there is not much sand along
the banks, just big boulders

⇒ sample taken at head of

very large bar

- some red staining

B81034

- brown sand/seed

not bad 10% Sand

10% roots + moss

Area B

PK/3L

13/7/81

BB1035

- TRIB HENDERSON - MAXIE CREEK
- BELOW SHOWING WHERE MAXIE and smaller creek join
- sample taken above confluence
- sample taken on small branch off main MAXIE - branch about 4ft across fairly slow with lot of boulders

- area is burnt out

BB1035

very sandy due to amount of boulders in large creek.

Area B

15/7/81

PK/JL

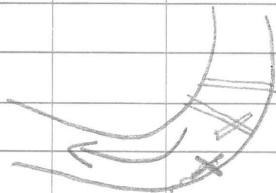

BS81036

=> Trib Anderson

=> outflow from Mexie Lake

=> 3m wide, brown, fast
steep alluvial banks

lots of organics in sediment
recently buried area

BS81036

gr 20% organics

otherwise good.

Area B

15/7/81

PK/JL

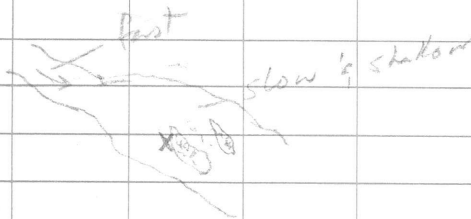

B81037

- trib Anderson

meets branch of Ander-wide
slow

- sample taken on gravel bar
100m fr. pt where creek
meets the branch of Anderson

- creek about 15 ft wide
where sample taken - lots of
organics in area - banks shallow
grassy
greenish tinge to algae in
creek.

B581037

- 30% organic

Area B

15/7/81

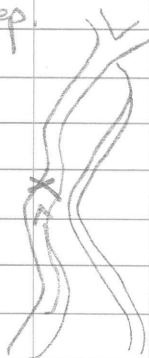

PK/JL

B81038

=> Trib Anderson cr.

=> very braided 200 m up from Anderson - almost marshy, but good cr. bottom

Sampled channel is 1m across slow to moderate, but has several large holes in stream bed, up to $1\frac{1}{2}$ FEET deep.

B81038 - good gr. SED.

Area B

15/7/81

PK/JL

BB1039

- Trib Anderson
- flows from lake, very marshy lots of organic
- creek bottom organic and mud.
- Sample taken 50m from lake on small submerged sandbar flow is slow

BS81039

good grade
20% organic

Area B

PK/3L

B81-040

Trib Anderson

1.5m wide, slow

burned area

close to Anderson - no lime
colored rocks in stream yellow

BSB1040 gr good

Area B

BS81041

- Trib Anderson

- comes off lake sampled
near mouth where it meets
Anderson

- stream slow and v. wide
very gravelly

comes off a swampy area
sampled side of gravel
bar

BS81041 -

good

lots organic
