N J NICKEL
FROM N CORNISH

A LARGE SUBMERSIBLE PUMP IS BEING INSTALLED IN TWO ZONE POND. THIS

PUMP WILL PUMP TO THREE ZONE PUMP WHICH IN TURN WILL PUMP TO THE TRAILING POND. TWO ZONE POND WILL BE PUMPED BASICALLY DRY AND WILL NOT FILL UP TO THE PRESENT POND LEVEL FOR SEVERAL MONTHS. THIS WILL ELIMINATE THE NEED TO PUMP FROM THIS POND DURING THE EXTREMELY COLD WINTER MONTHS. A PERMANENT SUMP WILL BE MAINTAINED IN TWO ZONE PIT TO PERMIT PERIODIC PUMPING TO PREVENT A REOCCURANCE OF THE RECENT HIGH ZINC SEEPAGE FROM THIS PIT.

DENIS GREGOIRE
MINE MANAGER
CYPRUS ANVIL MINING CORP. LTD.
FARGO

I WOULD LIKE TO EXPRESS MY CONCERN AT THIS TIME REGARDING THE RECENT AND ON GOING DISCHARGE OF WATERS WHICH EXCEED LICENCE LIMITS FOR EXTRACTABLE ZINC AND WHICH RECENT TESTS HAVE SHOWN TO BE TOXIC.

I RECOMMEND AT THIS TIME THAT YOU TAKE APPROPRIATE STEPS TO CEASE THIS DISCHARGE AS SOON AS POSSIBLE.

I WOULD LIKE AT THIS TIME TO FORMALIZE THE REQUIREMENT FOR DAILY ANALYSIS OF PH AND EXTRACTABLE ZINC AT STATION X2, ZONE 2 PIT WATER AND ZONE 2 SEEPAGE. THESE DATA SHOULD BE TELEXED TO THIS OFFICE ON A DAILY BASIS.

X22	7.1	14.02	16.35	7.2	20PLUS	20 PLUS	7.4	11.77	12.11

I REQUEST THAT WE DISCONTINUE THE DAILY SAMPLES AT X4, S 16 AND X22 FOR THE FOLLOWING REASONS.

THERE IS NO SURFACE DECANT FROM THE SECONDARY PONDS AND THERE WILL NOT BE ANY FURTHER SURFACE DECANT FROM THESE PONDS, BECAUSE THE PIT PUMPING IS AT A MAXIMUM AND THE PONDS HAVE REACHED A CONSTANT ELEVATION.

THE WATER LEVEL IS AT A CONSTANT ELEVATION IN THE INTERMEDIATE DAM THE SURFACE DECANT X 4 IS 25 GPM AND THIS DECANT CONTAINS LESS THAN 0.5 MG/L OF EXT. ZINC.

THE SIPHON DISCHARGE S16 HAS CONTAINED LESS THAN 0.1 MG/L OF ZINC FOR SEVERAL MONTHS.

I CANNOT IMAGINE ANY CHANGE IN CONDITIONS WHICH WOULD RESULT IN THE ZINC CONTENT OF S16 RISING TO NEAR LICENCE LIMIT WITHIN ONE WEEK.

WE COULD REPORT X4, S 16 AND X22 WEEKLY BUT I WOULD PREFER TO NOTIFY YOU OF ANY SIGNIFICANT CHANGE IN THESE SAMPLES AS SOON AS POSSIBLE, OTHERWISE REPORT SAMPLE RESULTS ON A MONTHLY BASIS.

PLEASE CONTACT ME IF YOU HAVE ANY QUESTIONS.

N.G. CORNISH

ANVIL ADM FARD

THANKS VERY MUCH

ANVIL ADM FARD
