Jerome,

Sorry to take so long to reply. Anna Fonseca and I will be giving a joint "DIAND/YTG presentation on the Geology and Mineral Potential of the Planning Region. I plan to give it in Whitehorse and Anna is available to give it in Old Crow. Will you be notifying the Commission that we are speaking?

Grant,

The dates for the Opportunities and Challenges workshops being hosted by the Vuntut Planning Commission are on June 8&9 in Whitehorse and June 18&19 in Old Crow. Bob has advised me that EcDev is interested in seeing a mining presentation done. Can you let me know if you are the one who will be doing this presentation? Also can you let me know if you would be willing to travel to Old Crow to do the presentation if requested by the VPC?

Thanks
Jerome
