

Arctic Dempster Region
Geology, mineral and oil and gas exploration
Scale 1:500,000

- Location of seismic lines
- Wells drilled by oil and gas industry
- Minfile (mineral exploration records)
- Faults**
 - Defined fault, uncertain movement
 - Defined normal fault
 - Defined thrust fault
 - Inferred fault, uncertain movement
 - Inferred thrust fault
 - Inferred normal fault
 - Extrapolated normal fault
 - Extrapolated fault, movement uncertain
 - Inferred fault, movement uncertain
