Coal River SMA <ul style="list-style-type: none">• Fieldwork• Map and report	Summer, 2000 March 31, 2001	
Scottie Creek Habitat Protection Area <ul style="list-style-type: none">• Fieldwork• Map and report	Summer, 2000 March 31, 2001	
Wellesley Lake Special Management area <ul style="list-style-type: none">• Fieldwork• Map and report	Summer, 2000 March 31, 2001	
Snafu/Tarfu Natural Environment Parks <ul style="list-style-type: none">• Fieldwork• Map and report	Summer, 2000 March 31, 2001	
Pickhandle Lakes Habitat Protection Area <ul style="list-style-type: none">• Fieldwork• Map and report	Summer, 2000 March 31, 2001	
Land Claims Review	Ongoing	van Randen

WORKPLAN: CURRENT LIST OF PROTECTED AREAS/SMA's

First Nation	Protected Area/Project	Work Required	Due Date	Personnel
	North Yukon Mineral Assessment	Ranking of tracts complete. Computer modeling to contractor. Final map and report.	Map – May 1, 1999 Report – May 15, 1999	Heon
THFN	Tombstone Territorial Park	Field checking completed. Presentation in Dawson City and report for management planning process.	Report and Map – mid July, 1999 Management plan due March, 2000	Heon: 1999
VGFN	Fishing Branch expansion	Field work. Final Report and map.	September 1, 1999	
NNDFN	Arctic Circle/Dempster Highway	Mineral Assessment, field work Final Report and map. Partly completed. Sample location map.	Spring, 2000 Map, Winter 2000	
Teslin	Wolf Lake	Field work (?) Final Report and map.	Summer, 2000	If MERA, GSC will complete
CAFN	Tatshenshini Heritage River	Review background study. Study completed by contractor by June 1. Public review summer, 1999. Management Plan completed by September, 1999 for Ministerial signature (Ottawa).	June, 1999	
	Wolf Lake area Mineral Assessment			
	Selwyn Basin Mineral Assessment (1, 2)			
	West of Tintina Fault (1, 2, 3)			
Land Use Planning				
VGFN	North Yukon	Final report to management planning process required. Forward North Yukon map to Land Use Planning Council.	June 1999 - collecting data Plan by Dec. 2000	
NNDFN	Northern Tutchone	Final report to management planning process required.		
CTFN		Final report to management planning process required.		

SMA's with Settled FN's

First Nation	Special Management Area	Work Required	Due Date	Requirements
CAFN	Sha'Washe and surrounding area Special Management Area (Dalton Post)		????	
Upcoming PAS				
NNDFN	Peel River Watershed	Geological compilation and field work. Final Report and map	Summer, 2000	
LSCFN NNDFN	Ddhaw Ghro Habitat Protection Area Expansion (McArther Wildlife Sanctuary)	Area has been withdrawn from mineral activity.	Work, Summer 2000	
LFN	Beaver River Protected Area	Land claim has to be settled first.	Work, Summer 2000?	
	Klondike Plateau	Caribou herd.		

Final Agreements Under Negotiation and Possible SMA's

First Nation	Special Management Area	Work Required	Due Date	Requirements
LFN	Coal River Special Management Area	Mineral withdrawal upon signing.		
WRFN	Scottie Creek Habitat Protection Area	Possible mineral withdrawal, contingent upon Management Plan.		
WRFN	Wellesley Lake Special Management area	Possible mineral withdrawal, contingent upon Management Plan.		
CTFN	Snafu/Tarfu Natural Environment Parks	Possible mineral withdrawal, contingent on Management Plan. Ratification 2000?, MgtPlan – 2 years	Summer 2000 or 2001	
LFN	Frances Lake Special Management Area	Core area – mineral withdrawal. Study area – may be withdrawn		
RRDC	Keele/Itzi	Geological compilation complete. Mineral withdrawal planned.		
RRDC	Mt. Mye – sheep habitat protection area	No mineral withdrawal.		
WRFN	Pickhandle Lakes Habitat Protection Area	Possible mineral withdrawal, contingent on Management Plan.		

Work
No Activity Required

SFN	Ta'tla mun Habitat Protection Area	Already withdrawn, no work required.		
SFN	Lhutsaw Wetland Habitat Protection Area	Already withdrawn, no work required.	Spring, 2000	
NNDFN	Horseshoe Slough Habitat Protection Area	Already withdrawn, no work required.	Fall, 1999	Complete
CLSFN	Nordenskiold Wetland Habitat Protection Area	Already withdrawn, no work required.	Fall, 1999	R-Block
TTC	Nisutlin River Delta National Wildlife Area	Not withdrawn from mineral activity.		
KFN	Asi Keyi Natural Environment Park (Klutlan Glacier)	Mineral withdrawal.		
CTFN	Kusawa Territorial Park	Mineral withdrawal upon signing. Settlement 2000? MgtPlan 2 years	Summer 2000 or 2001
