

AMENDMENT TO CONTRIBUTION AGREEMENT

This Amendment, made this day of , 1995 is to be attached to the contribution agreement, dated the 1995, that was drafted

between : the Government of Yukon as represented by the Department of Economic Development (the Department)

and: the Geological Survey of Canada (the recipient)

whereas

the stream sediment survey to be conducted by the recipient in the Eagle Plains area will need a greater number of samples than previously thought in order to provide adequate coverage

and that

an additional amount of \$ 4 000 is needed to cover the cost of 20 extra sampling sites. This will bring the total number of samples to 320 for a total cost of \$ 65 ~~350~~.
