REMARKS: Urgent For your review Reply ASAP Please Comment

I met with Peter Friske here in Whitehorse, and we finalized the area to be surveyed. This area will require an additional 20 sample sites in addition to the 300 samples that were first budgeted. Please find attached an amendment to the contribution agreement enabling the sampling of an extra 20 sites for an additional cost to us of \$ 4 000. Please return a signed copy of the amendment to Economic Development c/o Miko Miyahara at FAX no 403-667-8601. Her telephone no is 667-3755. Thank you.

Danièle Héon

Mineral Assessment Geologist
