STRIPPING PROGRAM

Giants 1 to 8 inclusive will be set initially to bring to grade an area opened up last year. They will be moved to secondary and tertiary positions in order to cover the area adjacent to each outlet.

As they complete their respective areas the giants will be reset in new positions, setups 9 to 15 inclusive, and the operation repeated. Giants 16 to 18 inclusive will be used to open up new ground by advancing toward the left limit.
