### Forty Mile

In view of the recommendation of McFarland  
and Nordale, I agree that we allow the lease on Forty  
Mile to lapse.

Forty Mile Drilling.

Drilling on this property as shown on the enclosed map indicated average values of 5 cents per cubic yard of dredging section. McFarland and Nordale agree that sufficient drilling has been done to satisfy us that the area is without possibilities. I would recommend that the leases be allowed to lapse.

Dear Mr. McLeod,

Enclosed are five maps of the Forty-mile  
drilling layout, with the drill hole values plotted.

The results are not impressive but since  
relatively few holes were put down there may yet be a chance  
of finding better values.

Yours very truly,

C. Gloslie,  
Acting Resident Manager.
